

Please join in celebrating the
Annunciation and Incarnation
of the Lord

Thursday 25 March 2004 7:00 PM

Saint Peter Catholic Church
6161 Chambersburg Road, Huber Heights

God's taking a human nature in the person of Jesus Christ is the greatest event in all of human history. God becoming Man and being willing to suffer and die so that each of us can share in His eternal life is the ultimate act of love.

At Mary's acceptance of the Father's invitation, Jesus was conceived by the power of the Holy Spirit and became incarnate in Mary.

God's becoming one of us (adding human nature to His divine nature) makes Jesus our brother. His Incarnation thus elevates the dignity of all human life, from conception to natural death, and for all eternity.

The Knights of Columbus have proclaimed March 25th the Day of the Unborn Child, recognizing thereby the connection between the earliest life of Jesus and the beginnings of all human life.

There is ample reason for great joy and celebration!
